Workshop

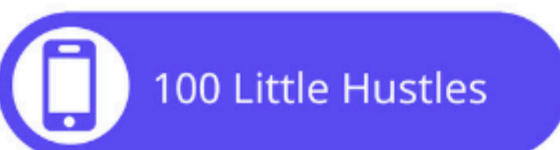

This program will give an introduction to business/entrepreneurship and assist with getting the scholars to start finding out what interest levels/skills they have.**

Keynote speaker

You can book Dr Randy to come to your school, business, church, organization, etc and/or community program and give a motivational speech.

His workshops are fun-filled and interactive as his entertaining personality keeps the young people engaged and anxious to start working on business ideas.

****All workshops come with a copy of the book**

100 LITTLE HUSTLES

DR. RANDY WALTERS
MR. MAKE YOU
Smile

”

“Give a man a fish, you will feed him for a day, teach him how to fish and you feed him for a lifetime”
-Lao Tsu

Mission & Values

Dr Randy believes that every student has the potential to achieve greatness. With his experience owning several businesses and his passion for entrepreneurship, he is willing to share his knowledge and plant the seeds for kids, youth and young adults to realize the power to having their own side hustles. He is confident that his blueprint will get their creative energy flowing and start the conversations to make their dreams a reality. He can help you reach your full potential.

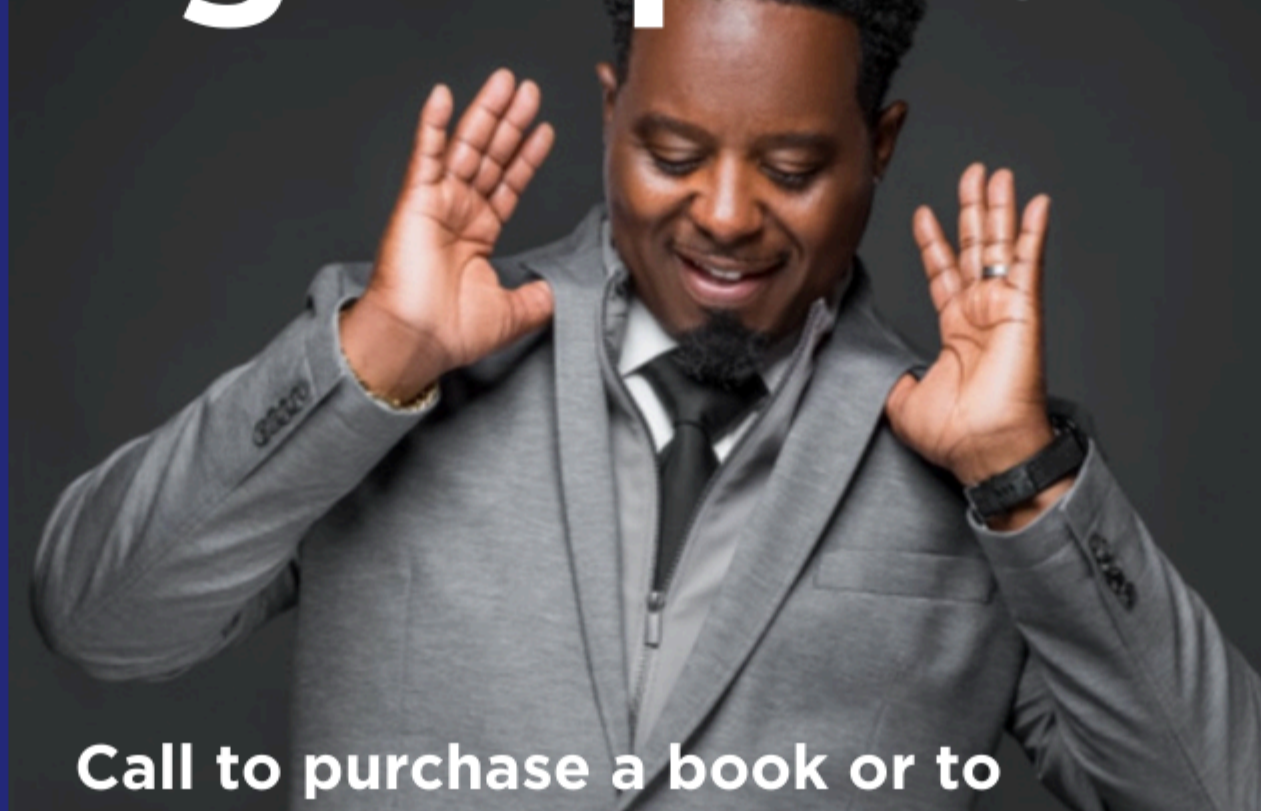

About Dr. Randy

Dr.Randy Walters is dedicated to giving the tools to prepare young people for success in their future endeavors. He has four successful businesses and is helping build young entrepreneurs.
